FOUR APPROACHES

FIVE LAYERS OF THE FACE

INSIGHT'S FROM THE WORLD BEST ANATOMIST

DETAILED EXAMINATION OF THE LAYERS WITH ULTRASOUND

3D FACIAL IMAGING WITH VECTRA H2® SCANNER

AESTHETIC DIALOGUE *Symposium*

WHY IS THE AESTHETIC DIALOGUE SYMPOSIUM DIFFERENT FROM OTHER CONFERENCES?

A **UNIQUE OPPORTUNITY** TO EXPERIENCE THE WORLD-RENOWNED ANATOMIST, **PROFESSOR SEBASTIAN COTOFANA**, PERFORMING AN ABSOLUTELY SPECIFIC CONCEPT OF A **DIALOGUE** WITH PROMINENT INTERNATIONAL **AESTHETIC EXPERTS** COMMENTATING THROUGHOUT THEIR ENTIRE AESTHETIC APPROACH AND LEVEL OF EVIDENCE. PROJECTED ONTO A SCREEN IN THE AUDITORIUM OF PRAGUE CASTLE FROM THE CHARLES UNIVERSITY ANATOMICAL INSTITUTE, EXPERTS WILL TALK THROUGH EACH STEP WHILE PROFESSOR COTOFANA EXPLAINS **IN-DEPTH** THE ANATOMY BEHIND IT SIMULTANEOUSLY PERFORMED DURING A **CADAVER DISSECTION**. COMPLEMENTED BY PRACTICAL ANATOMICAL QUESTIONS AND ADVICE, TOGETHER WITH AN **ULTRASOUND VIEW** OF ALL OF THE LAYERS OF THE FACIAL AREA BEING TREATED AND AT THE SAME TIME SUPPLEMENTED BY **3D FACIAL IMAGING WITH VECTRA® H2**, IT WILL PROVE TO BE AN **UNPARALLELED EVENT**.

UNPRECEDENTED CONCEPT WHERE PARTICIPANTS CAN EXPLORE SEVERAL PERSPECTIVES ON A FACIAL PROCEDURE WITH MANY OF THEM BEING PERFORMED LIVE ON A CADAVER.
